Weight (lbs.)	14 lbs.	14 lbs.	21 lbs.
Warranty	3 Year Warranty	3 Year Warranty	3 Year Warranty

HEAT COVERAGE AREAS

Why choose infrared

Unlike other supplemental heating appliances, infrared heaters do not heat the air and instead emit a clean, safe wavelength of light that only warms the objects the wavelength touches.

Keep your space clean and green

Infrared heaters are more energy-efficient than other space heaters. They use 100 percent of the heat they produce, which creates almost no loss in heat transfer to zone heat at a low cost

Control in style

Easily control all Innova heaters with this stacked switch, featuring high/low and on/off settings. Featuring a stainless steel cover and single or double gang box that allows it to be installed in-wall.
