E12 Filament Candle Bulbs

The EnVision Filament E-12 LED resembles the traditional incandescent bulbs we love. The bulb achieves a full 360° beam spread, puts off very little heat, and importantly contains no mercury. Lastly, for each bulb replaced, not only do you save in energy costs, but you are decreasing your impact on the environment as well.

Applications:

- Indoor Lighting
- Decorative Lighting, Chandeliers
- Residential Lighting
- Restaurants, Bars, Lounge, etc.

Product Information:

- Increase energy savings and shorten payback period
- High intensity: ready to replace existing 25W/40W incandescent
- Suitable for use in existing fixtures
- Dimmable with most dimmers when using a magnetic transformer
- 3 Year limited warranty
