EnVisionLED™

4" SnapTrim Floating Adjustable J-Box
5CCT Selectable - 27/30/35/40/50K

Introducing the new EnVision LED Lighting SnapTrim Floating Adjustable J-Box! This new fixture has a 360° twist that allows for an easy adjustment after installation. Our unique floating gimbal design adds an architectural touch for any new and old retrofitting project. The canless module does not require any housing, making it perfect for new construction and remodeling. Now with 5 selectable color temperatures, this fixture is perfect for any lighting project that comes your way.

Applications:

- Retrofitting
- New Construction
- Residential Lighting
- Commercial Lighting

Product Information:

- Select between 5 different color temps. (27/30/35/40/50K)
- External j-box & spring mount clips for easy installation
- Compatible with most dimmers (e.g. Lutron DVCL-153P)
- Spring mount clips make installation easy
- Canless module does not require housing
- Clip-on trims allow customizable styling
