

7" Emergency Backup

7" Empty Backup Module

12" Emergency Backup

12" Empty Backup Module

7" / 12" Slimline Emergency Backup & Empty Module

The new EnVision SlimLine disk can be used in new construction and remodel applications. With the integration of edge-lit technology, driverless AC LED technology, and full dimmability, EnVision has created the most advanced disk on the market. It features two disk sizes (round or square), a slim width of 5/8", and is designed to be a one of a kind in the LED market.

Applications:

- Remodel and New Construction
- J-Box Installation: 30 or 40

Product Information:

- 24-Hour recharge time
- Instant-On
- Test button to verify battery
- 90 minute emergency mode
- Lithium-ion battery chemistry
- No hazardous materials
- Full brightness backup power
- Works with triac and 120-277V 0-10V dimmable versions
