STRIP 22.5W 4FT. TITANIUM LED SERIES

GREENCREATIVE

QWIKLINK
SERIES

PRO

- **QWIKLINK technology for seamless fixture connection**
- **Surface mount, pendant or suspended installation**
- **LED quick connectors for fast and easy wiring**
- **120-277V circuit and 0-10V dimming control compatible**
- **Exceptional efficacy 115 LPW**
- **Extra long 100,000 hour lifetime**

STRIP PRODUCT FEATURES
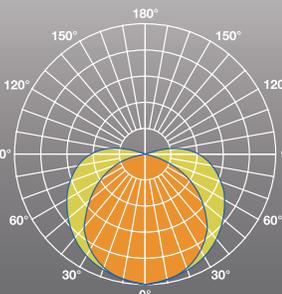

QWIKLINK Connection System*

Easily and seamlessly connect up to 64' of fixtures with the QWIKLINK connection system. The QWIKLINK connector provides line voltage and 0-10V dimming between fixtures. The QWIKLINK cable comes in two lengths (7.9in. & 5ft.) and allows for angled and distant fixture connection. The QWIKLINK sensor integrates with a single fixture or an entire row for occupancy sensing and dimming.

QWIKLINK Connector   QWIKLINK Cable   QWIKLINK Sensor

Even Distribution & Uplighting

The STRIP QWIKLINK Series provides even distribution and up to 10% uplighting to limit the "cave effect" associated with other fixtures with more direct lighting. The smooth light output helps create a visually comfortable and secure environment.

*If no QWIKLINK connection is made, the end caps shall not be removed.
