

DRYWALL FRAME

PRO

- Ⓞ For use with 2x2', 2x4' & 1x4' TROFFER & PANEL ELEVATE Series products only
- Ⓞ Allows fixture to sit flush in a drywall ceiling
- Ⓞ Cold-rolled steel construction
- Ⓞ White powder coat finish

RECOMMENDED USE

ELEVATE Series - 2x2', 2x4' & 1x4' TROFFER & PANEL

The DRYWALL FRAMES are designed specifically for use with ELEVATE Series TROFFER and PANEL fixtures when suspended T-grid ceilings are not present. The DRYWALL FRAME allows the fixture to sit flush in a drywall ceiling.
