Product Description

The MaxLite 18" & 30" Vanity Bar combines modern design with energy-efficient LED technology to deliver bright, even illumination for bathrooms and vanity spaces. Its minimalist 18 & 30-inch profile complements contemporary décor and offers flexible installation –mount horizontally above a mirror or vertically alongside it.

Featuring CCT selectable technology (2700K, 3000K, 3500K, 4000K, 5000K) and a high CRI of 90+, this fixture ensures accurate color rendering, perfect for grooming and makeup application. It is dimmable with standard Triac dimmers, giving you full control over brightness and ambiance.

Built from durable steel with a powder-coated finish, the MaxLite Vanity Bar is rated for damp locations, making it safe for bathroom environments. Delivering up to 1900 lumens it replaces 100W incandescent fixtures and offers a 50,000-hour lifespan for long-term reliability.

Backed by a 5-year warranty, this eco-friendly fixture saves energy, reduces maintenance, and adds a clean, sophisticated look to any space.

Features

- **Sleek Design:** Perfect for compact vanity areas
- **Integrated LED Technology:** No bulb replacements required
- **CCT Selectable:** Choose from 2700K, 3000K, 3500K, 4000K or 5000K for the ideal ambiance
