

Item#: **55705**
LED 6W ADD-ON EMERGENCY KIT
FOR LED INDOOR FIXTURES

FEATURES

- Kit includes; an LED emergency driver, battery, high efficacy LED module and test light indicator.
- Easy Installation
- Uncomplicated - Does not require you to splice into existing fixture driver wiring like other EM backups.
- Standalone system - Has its own LED light source, doesn't try to operate the fixture LED which can have compatibility or brightness issues.
